Dear Parents,

REGISTRATION

Thank you for your faithfulness in registering for next year. However, some still have not. If you have not registered yet, please let us know your intention.

We are excited about the remainder of this year and the plans for next year. We see wonderful things happening and possibilities that are ready to explode into reality. We are blessed!

OPEN HOUSE : Thursday, March 18th, 7:00-9:00 p.m. Book Fair and the Science Fair will be happening simultaneously. We have had many inquiries about school on our website and by telephone. We expect new people to attend. Please also tell your friends. We will have a great Open House and are expecting many new enrollments.

The **SMART BOARDS** will be on display. You can see them demonstrated. Our goal is one for every room. At this point the teachers are sharing. We are moving forward with updates for our students.

HOPE TO SEE YOU AT THE OPEN HOUSE! 😊
